WELCOME

from our head of school

I am delighted to extend a warm welcome to you as the head of our small rural community primary school. It is an honour and a privilege to lead this wonderful school and work alongside our dedicated staff, talented students, and supportive parents.

At Hoylandswaine, we believe in creating a nurturing and inclusive learning environment where every child can thrive and reach their full potential. We understand the importance of strong partnerships between home and school, and we value your involvement in your child's education.

Our dedicated team of teachers and support staff are committed to delivering high-quality teaching and learning experiences that inspire and engage our students. We strive to provide a broad and balanced curriculum, tailored to meet the needs and interests of each individual child. By fostering a love for learning, we aim to equip our students with the skills and knowledge they need to succeed academically and socially.

We believe that communication is key to a successful partnership between home and school. We will keep you informed about your child's progress and achievements. We value your feedback and input, as it helps us continually improve and meet the needs of our students.

In addition to academic excellence, we also place great importance on the development of character and personal values. We aim to create a positive and respectful school culture where every child feels safe, valued, and supported. We promote creativity, collaboration, mindfulness and resilience and we encourage our students to become responsible and active members of our community.

I invite you to get involved in the life of our school. There are various opportunities for parents to volunteer, attend school events, and participate in workshops and parent forums.

I am excited about the journey ahead and the wonderful opportunities we have to shape the future of our children together. I look forward to working collaboratively with you to ensure the success and well-being of every child at our school.

our

CURRICULUM

The curriculum we offer at our school is designed to be exciting, engaging, and thought-provoking for our students. We believe that education should go beyond the acquisition of knowledge and should inspire a passion for learning.

Our curriculum is carefully crafted to provide a wide range of stimulating and immersive experiences that capture the imaginations of our students. From hands-on experiments and creative projects to thought-provoking discussions and real-world applications, our curriculum aims to ignite curiosity and foster critical thinking skills. We are committed to providing an educational journey that is both enriching and enjoyable for your child, preparing them for a successful future in an ever-changing world.

we are

HCAT

Hoylandswaine is proud to be part of HCAT. The development of HCAT is rooted in ensuring that children received a world class education.

Children get one chance at their school education and we believe that, by schools working effectively in collaboration, we can ensure that one chance unlocks the potential for lifelong learning for all of our children.

school
ADMISSIONS

Hoylandswaine Primary School is a **popular** primary school.

Throughout the school year, we can arrange tours of the school that give prospective parents/carers and children a valuable insight into our school, how we work and our facilities. These visits are by appointment only and to find out more information and/or make an appointment then please contact the school office on **01226 762027**.
