How do we share school communications?

Arbor:

Arbor is our primary platform for communication with families. All key updates and information will be shared via Arbor email - Please check that these do not go into your 'junk' email box.

Arbor

Class Dojo:

Class Dojo is an app that allows us to share notices with parents that will have been sent via Arbor also. It also allows parents to see the rewards that their children are receiving in school. We also share photos via Class Dojo during the school day and on school trips.

ClassDojo

Twitter or 'X'

As a school, this year, we are using Twitter to celebrate learning with the wider community. It allows other classes and schools to see what life is like at Hoylandswaine. Like Class Dojo, it may be used to re-share information from Arbor.
